🏗️ 2. Our Services

Display: 3 Tabs or Cards → **Glass | Aluminium | UPVC**

Each service section has:

- 1 cover photo + 4–6 cards

- Each card = small photo, service name, short tagline, and a "See Details →" button.

🪟 Glass Works

Elegant, durable, and modern designs tailored for homes, offices & showrooms.

Services:

1. **Glass Door** — Frameless, tempered glass for classy entryways.
2. **Shower Enclosure** — Sleek, waterproof enclosures with chrome fittings.
3. **Glass Partition** — Smart space dividers for offices & interiors.
4. **Double Glass / Insulated Glass** — Energy-efficient thermal control panels.
5. **Wall Cutting & Custom Shapes** — Laser precision cutting for bespoke designs.
6. **Glass Railing & Staircase (new)** — Safety with transparency for stairs, balconies, rooftops.

Modern Add-ons:

- Smart Frosted Glass (switchable privacy glass)
- Colored / Tinted glass options

🪞 **Aluminium Works**

Strong, modern, and weather-resistant structures with sleek finishes.

Services:

1. **Aluminium Door** — Custom heavy-duty doors with powder-coated finish.
2. **Window** — Sleek, insulated windows for residential & commercial use.
3. **Partition** — Lightweight & modular aluminium partition walls.
4. **Hanging Door** — Elegant top-hung sliding systems for minimal design.
5. **Sliding Door** — Smooth, soft-closing premium rollers.
6. **Sliding Window** — Compact design, easy maintenance.
7. **Hinged Window** — Classic look, durable function.
8. **Facade & Curtain Wall (new)** — High-rise building front design with glass & aluminium frames.

Kitchen Aluminium Section

- **Heavy Duty:** Industrial-grade frame for long-term durability.
- **Normal Duty:** Affordable and elegant for home kitchens.

Modern Add-ons:

- Thermal break aluminium systems
- Soundproof aluminium profiles
- Fire-rated doors

🧱 **UPVC Works**

Premium-quality, weather-resistant, and soundproof solutions.

Services:

1. **UPVC Door** — Stylish, secure, energy-efficient designs.
2. **UPVC Window** — Insulated, rust-free, and noise-canceling.
3. **Partition** — Perfect for interior office setups.
4. **Sliding Door** — Effortless sliding mechanism with German hardware.
5. **Sliding Window** — Smooth gliding, zero maintenance.
6. **Ventilators & Balcony Frames (new)** — Extra airflow and light control.

Modern Add-ons:

- Multi-locking security system
- UV-protected color options

🏡 8. Home Decoration

Beautiful, durable, and customized solutions for interior transformation.

Services:

1. Curtain Installation — Stylish and modern curtain systems for homes & offices.

2. Tiles Work — Floor and wall tiling with perfect finishing and alignment.

3. Paint Work — Professional-grade wall painting with weather-resistant coating.

4. Gypsum & False Ceiling — Decorative ceiling designs with lights and patterns.

5. Marble & Stone Work — Elegant marble fitting for floors, stairs, and countertops.

9. Repair Service

Fast, reliable maintenance and fixing for all your installations.

Services:

1. Glass Door & Window Repair — Cracks, hinges, or lock replacements.

2. Aluminium Frame Repair — Alignment, roller, or track fixing.

3. UPVC Maintenance — Seal replacement, sliding issue repair.

4. Tile, Paint & Curtain Fixing — On-demand interior touch-ups.

5. Emergency Support — 24/7 hotline for urgent repairs.

📸 3. Project Gallery

Goal: Visual trust.

Design: Grid or Masonry Layout + Filter Buttons
👉 Filters: Glass | Aluminium | UPVC | Kitchen | Balcony | Facade

Extras:

- Hover = “Before / After” overlay
- “Client Location + Project Type” tag under each photo
- Each project opens in a lightbox modal with description & time to complete.

👷 4. About Us (Humanize + Expertise)
